**Baking Hints:**

- \* Use a tea-towel on your cake rack so your cakes don't get marked by the rack.
- \* Icing should set hard and can be any colour. Suggest icing sugar, a small amount of butter and liquid.
- \* Cakes should be iced on the top only, not the sides.
- \* Patty cakes can be made in muffin papers.
- \* Great marble cakes are made by alternating pink, chocolate and white cake mix on top of each other and around the tin.
- \* Use dark coloured cocoa for chocolate cakes and chocolate crackles. Try to match the colour of your chocolate icing to the colour of your chocolate cake
- \* Judging will take into account the age appropriate skills of the baker.
- \* Most of all be safe, have fun and help clean up when you are finished!
